Education & Certifications

Bachelor of Computer Science (Hons) with Specialization in Data Science -
Multimedia University

Student

Jun 2017 - Jun 2020

- CGPA: 3.82/4.00

Machine Learning by Stanford University - Coursera

Sep 2017

Deep Learning, a 5-course specialization by deeplearning.ai - Coursera

Mar 2018

Work Experiences

Parcel Daily, Malaysia - JavaScript, NodeJS, VueJS, HTML, CSS, Git

Full-Stack Developer
(Part-time)

- Frontend and backend development on the courier delivery service platform.

Oct 2019 - Dec 2019

Complyi, Vietnam - Python, NLTK, BeautifulSoup

AI Intern (Part-time)

- Obligation sentences extraction from legal documents.

Apr 2019 - May 2019

BotAhead, Malaysia - Python, NLTK, Flask, MongoDB, JavaScript, CSS, HTML

NLP Engineer (Part-time)

- Built a data pipeline to automate the process of data collection, transformation and translation on Malaysian conversational language understanding.
- Developed a RESTful API for [Malaysian Conversational Language translation](#).
- Developed a demo web page for Malaysian language (Malay's abbreviation + English's abbreviation) to English translation.

Jan 2019 - Mar 2019

Coqnitics, Malaysia - Python, Flask, Keras, Tensorflow, scikit-learn, OpenCV, PostgreSQL, SQLite, AWS, HTML, CSS, Sphinx

ML Engineer Intern
(Part-time)

- Developed and deployed a RESTful API for end-to-end [Malaysian License Plate Recognition solution](#) using COCO-trained SSD MobileNetV2.
- Developed an apparel [style classifier](#) using pre-trained MobileNetV2 and SGDClassifier for fashion RESTful API.
- Developed a user authentication webpage.
- Constructed complete [documentation](#) for all the RESTful API.

Dec 2017 - Dec 2018

Honors & Awards

Breast Cancer Detection using Histopathology Images Competition Malaysia
- Python, PyTorch

Champion

Apr 2019

- Achieved the highest accuracy on the test set by training a deep learning model on the given training set.

Global AI Meets Beauty challenge ACM Multimedia 2018, Seoul, Korea -
Python, OpenCV, Pytesseract, Keras

7th Place

Jul 2018

- Group AI competition to match the real-world beauty and personal care product to the given 500k images.

Leadership Experience

IT Society - Multimedia University

President

- Improved the quality of subjects offered in faculty, the relation between students and faculty as well as supervising all the events organized by IT Society.

Jun 2018 - Dec 2019

Southeast Asia A.I. CKATHON 2018

Mentor
